JOIN LANCER AT IMG MAINTENANCE & SAFETY FORUM

Long Beach, New York - November 6, 2007 - Lancer Insurance Company will be participating in the International Motor Coach Group Maintenance & Safety Forum 2008, which will be held January 14-16, 2008 in San Francisco, California.

This three-day event will feature maintenance and safety clinics hosted by carefully selected industry vendors who address current issues and hot topics important to IMG Operators. Also included are Operator Workshops, a Vendor Discussion Panel and the annual Best Idea Competition.

This forum brings together IMG's Owner/Operator members, comprised of the premier operators of the motor coach industry, with their preferred vendors for several days of networking, information and idea exchange, problem solving, soft sales relationship building and education.

Lancer is licensed in all 50 states, the District of Columbia and Puerto Rico, and is rated A- (Excellent) VIII by the A.M. Best Company, known worldwide as the benchmark for assessing insurer's financial strength. The company's Passenger Transportation Division is the oldest and largest of Lancer's core businesses, making it the nation's largest specialty passenger transportation insurer.
