NAMO SEMI-ANNUAL CONFERENCE ADDED TO LANCER'S AGENDA

Long Beach, New York - July 8, 2008 - Lancer is proud to attend the National Association of Motorcoach Operators (NAMO) Semi-Annual Conference. The show will be held August 14-17, 2008 at the Doubletree Hotel Houston Intercontinental in Houston, Texas.

Lancer Vice President Bob Crescenzo will present "Understanding Risk Issues When Operating Your Bus Company," a guide to using everyday data to make better business decisions. Lancer is also proud to sponsor a breakfast during the conference.

NAMO is a national association formed in 2000 to establish and implement solutions to current transportation concerns and to advocate fairness and protection for all motorcoach operators. Today, over 50 motorcoach companies and associates share this network throughout the United States. The group's semi-annual conference aims to develop and strengthen its member's financial and social standings through networking and collaboration.

Since 1985, Lancer has been perfecting ways for bus owners to have the best of both worlds - great prices and claim services backed up by the best insurance products and services available anywhere.

Lancer Insurance Company is licensed in all 50 states, the District of Columbia and Puerto Rico, and is rated A-Excellent VIII by the A.M. Best Company, known worldwide as the benchmark for assessing insurer's financial strength. Lancer's Passenger Transportation division is the oldest and largest of the company's core businesses, making it the nation's leading passenger transportation specialty insurer.
