## NOBEL HEADS TO BEST IN THE WEST DRILL & BLAST CONFERENCE

**Dallas, Texas - February 26, 2008 -** Nobel Insurance Services will be joining professionals from throughout the commercial explosives industry at the Best in the West Drill & Blast Conference. The 21<sup>st</sup> annual conference is scheduled for April 16-18, 2008 at the Parkway Plaza Hotel and Convention Center in Casper, Wyoming.

Nobel is delighted to be a proud sponsor of this event, which is co-hosted by the Northern Plains and Black Hills Chapters of the International Society of Explosives Engineers (ISEE). The ISEE is a professional society recognized as a world leader in providing explosives technology, education, and information, and promoting public understanding of the benefits of explosives.

The conference brings together the members of the blasting industry and is a great way to stay current on local and national blasting issues. This year's agenda will feature regulatory and technical sessions, as well as a trade show featuring the latest in blasting technology and products.

Nobel Insurance Services is a proud member of the ISEE. A division of Lancer Insurance Company, Nobel is nationally recognized as the leading provider of casualty insurance products and services to manufacturers, distributors and transporters, as well as drilling and blasting contractors with a primary business focus within the commercial explosives marketplace. Lancer is licensed in all 50 states, the District of Columbia and Puerto Rico, and is rated A- (Excellent) VIII by the A.M. Best Company, known worldwide as the benchmark for assessing insurer's financial strength.
