MOPS HEADS TO CHICAGO FOR PVA ANNUAL CONVENTION

Long Beach, New York - December 5, 2007 - MOPS Marine License Insurance will be joining professionals from throughout the maritime industry at the Passenger Vessel Association (PVA) Annual Convention at MariTrends. The convention will be held from February 2-5, 2008 at the Sheraton Chicago Hotel & Towers in Chicago, Illinois.

MOPS representatives will be on hand to exhibit the company's complete range of marine license insurance products and services and to network with colleagues from throughout the maritime industry.

In addition to the exhibit hall, where products and services of PVA Associate members will be showcased, the schedule will feature daily keynote speakers who will touch upon important topics, education sessions, and events on marketing, technology and management.

MOPS, North America's original and foremost marine license insurance program, provides prepaid legal defense insurance and income protection to U.S. Coast Guard licensed deck and engineering officers, state and federal pilots and tankermen serving aboard every type of commercial vessel on the oceans, harbors, Great Lakes and U.S. inland waters. MOPS is a division of the Lancer Insurance Company, which carries an A- Excellent VIII rating from the A.M. Best Company.
