## DC WHITE TO EXHIBIT FOR FIRST TIME AT IIABNJ

**Long Beach, New York - September 4, 2007** - The D.C. White Agency has announced that it will, for the first time, be exhibiting at the Independent Insurance Agents and Brokers' (IIABNJ) Annual Conference. This year's conference, which celebrates its 114<sup>th</sup> year, will be held at the Borgata Hotel in Atlantic City, New Jersey from September 23-25, 2007.

D.C. White will proudly showcase its broad array of specialty commercial insurance products designed specifically for: local and intermediate trucks, delivery vans, tow trucks, dump trucks, contractors' vehicles, household movers and most other classes of commercial auto.

The three-day conference will feature informative seminars and provide attendees with the opportunity to network and socialize with fellow agents, industry vendors and company representatives.

The D.C. White Agency, a member of Lancer Insurance Group, focuses on small to mid-sized commercial auto business in New York and New Jersey. Garage Dealers, Non-Dealers and Dealer and Transporter Plate Coverages are offered in the State of New York.
