## LANCER TO SHOWCASE RENTAL VEHICLE PRODUCTS & SERVICES AT NACE 2007

**Long Beach, New York - August 17, 2007** - Lancer Insurance Company will be exhibiting at the 2007 International Autobody Congress & Exposition (NACE), the world's largest collision repair event. This year's show will be held at the Mandalay Bay Convention Center in Las Vegas, November 1-3, during Automotive Aftermarket Industry Week.

Show attendees are invited to visit Lancer in Booth #W2543. Representatives from the company's Rental Vehicle Division will be on hand to meet with the more than 30,000 collision repair professionals expected to attend.

This year's NACE will feature 20 Conference Sessions that cover topics such as ways to improve a business and offer a better understanding of the industry. To complement the conference program, NACE will offer a variety of key events including the opening general session with keynote speaker Chris Gardner, early bird roundtables, and the Friday morning panel talk: De-Mystifying "Lean" - Creating Process Centered Environments.

Lancer Insurance Company is recognized as America's premier commercial automobile insurance specialist. The company is licensed in all 50 states, the District of Columbia and Puerto Rico, and consistently earns an A- (Excellent) rating for financial strength and stability from the A.M. Best Company. Lancer's Rental Vehicle Division provides commercial automobile coverages to auto body and repair companies, as well as independent and franchised rental car agencies.
